EUROPEAN KANGAROO ARITHMETIC AND MATHEMATICS CONTEST

Welcome to the Kangaroo, great that you join in!

- * You have 50 minutes. There are 24 questions. With every question one of the five options is the correct one.
- * Do what you can, don't be disappointed if you cannot answer everything.
- * You are not allowed to use a calculator; of course you may use scribbling paper.
- * Use a pencil to fill in the answer sheet carefully.
- * About scoring points:
 - * You start with 30 free points.
 - * Question 1 - 10: you will get 3 points for a correct answer; you will lose $\frac{3}{4}$ points for an incorrect one.
 - * Question 11 - 20: you will get 4 points for a correct answer; you will lose 1 point for an incorrect one.
 - * Question 21 - 24: you will get 5 points for a correct answer; you will lose $1\frac{1}{4}$ points for an incorrect one.
 - * If you don't answer a question, you neither gain nor lose points.
- * The answers will be on the website from March 22nd, www.math.ru.nl/kangoeroe
- * The scores and the prizes will arrive at schools in week 17.

Good luck and most of all: have fun!!
